

# Thanaban Dokbua

## Electrical Engineering Student

### Personal Data

<b>Date of birth</b>	<b>Gender</b>
14 August 2001	Male
<b>Nationality</b>	<b>Height/Weight</b>
Thai	173 cm /60 kg

### Contact

#### Address

40/33 No.13 Chayangun Road,  
Banphaeng District, Nakhonpanom  
Province 48140

#### Phone

+66 86 1030028

#### Email

Thanaban.d@ku.th

### Languages

#### English

Fair

#### Thai

Fluent

### Awards

**2020-2023**  
Student with Excellent Academic  
Results (5A), Kasetsart University

**2023**  
Received the 2023 Good Study  
Award, the President of EIT-TOC.

**2022**  
King Bhumibol's Scholarships  
, Kasetsart University

### Skills

Programs		Others	
AutoCAD	Basic	C/C++	Basic
Arduino IDE	Advanced	HTML & CSS	Basic
PLC (TIA portal Siemens)	Basic	JavaScript	Basic
Sketch up	Basic	React	Basic
MQTT & Node-red	Advanced		
Microsoft Office	Advanced		

### Education

#### Bachelor of Electrical Engineering

Kasetsart University **2020-present**

*Chalermphrakiat Sakon Nakhon Province Campus*

**GPAX : 3.87**

**Key modules :** Electronic Power Systems, Computer and  
Programming, Digital Systems Design, Microprocessor and  
Microcontroller, Programmable Logic Controller

**Scholarship :** Ajinomoto Talent Scholarship,  
Merit Scholarship of Kasetsart University

**Project :** Phenotype Robot for Tomato Seedling

#### Banphaeng pittayakom school

Banphaeng District Nakhonpanom Province **2018-2020**

**GPAX : 3.92**

Course of study : Science-Mathematics

### Experience

- Electrical Computer Aided Design Training, **July 2023**  
Faculty of Science and Engineering Kasetsart  
University
- Electrical Systems Design and Cost Estimates **July 2023**
- ATS INNOVATION LECTURE X NIA, Ajinomoto **15 March 2023**  
Foundation
- EIT-TOC Academic Camp 2023, Safty **24-26 July 2023**  
Construction, Thai Obayashi Training Center
- Committee, Faculty of Science and Engineering **2022-2023**  
Student Club, Kasetsart University
